

and often we need to collect  
clues to tell us how they feel

so maybe it is better for it  
to remain a mystery.

and obviously the best  
thing to do would be to  
simply ask them

Do they blush?

Are they sweating?

but we are afraid of being  
rejected

Do they look at you?

but these clues can sometimes  
complicate things.

The clues can often be  
contradictory and confusing

# HOW to LOVE

clarisse asks:

How to know if  
someone  
likes you?

People are a mystery
